Special thanks to my beautiful and brilliant bride and ministry partner, Paula Vega Vondenstein, for her skills at editing, content categorization and artistic cover designs. Without Paula's vision, discipline and marketing savvy, the Godspirations Series would not have come to existence in published form.

Introduction

This is a book for anyone who appreciates original and inspired songs from the Lord whether or not you are a musician. If you are a musician feel free to use them however you are inspired.

In **John 6:44** Jesus said: "No one can come to me unless the Father who sent me draws him..." During a 13 year period of time (Sept. 1999 - Sept. 2012) the Lord was relentlessly pursuing me with more than 1000 poems and prayers which led to my own personal Repentance, Deliverance and Salvation. I call these poems and prayers "Godspirations" and am in the process of publishing them now in a 10 volume series.

Some of those very special poems and prayers (46) came with music and song and are the focus of this book, "Songs For The Soul". These songs are very special to me. I would come back often to them and they would comfort me and restore me to peace. I published the chords for these songs for those who are musicians. Original recordings of the songs in mp3 format (not the printed lyrics) can be found on the companion website www.SongsForTheSoul.info and are free to all. Also presented in this book are 6 songs without chords or music available for artistic interpretation.

Psalms 23 (A Psalm of David) seems to best describe the impact of these Godspirations poems and "Songs for the Soul" on my life:

"The LORD *is* my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. **He restoreth my soul**: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou *art* with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD forever." (Psalm 23 KJV)

The songs have been categorized into 10 topics which include: Love, Hope, Success (on God's terms), Faith, Trust, Prayer, Worship, Obedience, Deliverance, and Life (including Eternal Life) which are the same categories used for the entire Godspirations Series of Poems.

My hope is that you receive a measure of healing from our Lord as you read and possibly listen to the songs posted on the companion website to this book which is **www.SongsForTheSoul.info**. Please note that these songs are not professionally recorded but are simply original renderings by the author, guitar in hand, at the time they were received. A few of the songs are layered tracks.

Chapter 1: LOVE

You

You
Are the one that I love
You
Whom I hold above
Everything
Else in my life
There's nothing
More alive than
You
Are the only one for me
You
Give me vision to see
Springtime
Summer too
Winter
Getting through to
You
You're always on my mind
You
You help me to find
Peaceful
Seasons
Safety
Passage through time
(repeat)
You
Only You
You
Only You

The Love Of The Son

They can hide
Deep inside
In the world
All alone
There's no place
There's no grace
In the other world
Outside
No more pain
Sun or rain
In the land
They have found
Won't come out
There is safety
In the place they're in
They need a refuge
A place to call their home
They need someone to love them
And tell them that they're not alone
They need the light
That comes from the Son
And you're the one
That they've been waiting on
To bring the Light to them
The Light of the Son
To bring the love to them
The love of the Son

The Love Of The Father

Show me, Lord, the love of the Father
Will You take me to that place I've never been
Lead me, Lord, to the love of the Father
I long for You to hold onto my heart (repeat)
One day at home
My son and I we're alone
I hold him in my arms and say
I love you son
Then in that moment
For the very first time
I finally know the love of the Father
Can it be true?
That You love me as You do
Do You hold me in Your arms
As with my son
I do
At last I know the truth
I feel it in my heart
I finally know the love of the Father (repeat)
I'm healed with the love of the Father
I'm blessed to know the heart of the Father
I'm glad to have Your love, my dear Father
I know I have Your love my dear Father
Thank You, Daddy
Thank You, Jesus

Look At The Children

Look at the children
Look at the children
At play
Look at the children
Look at the children
All day
They smile and giggle
At each other
They're close
Like the Holy Ghost
Is to you
Look at the children
Look at the children
How they huddle
With each other
Look at the children
Look at the children
How they dance
Sister/brother
They smile and giggle
At each other
They're close
Like the Holy Ghost
Is to you

Take Them As They Are

Where oh where are the children
Where are they sleeping now
Where oh where are My children
Where are they lying down
Why oh why are they hurting
Why oh why are they feared
Why oh why are they lonely
Why have you forsaken Me
It's time it's time for you to care
It's time it's time for you to love
It's time to take them as they are
It's time It's time...unconditional love
It's time It's time...unconditional love

I Love You Too

Don't you know I hear your voices
And that I'm trying to understand
Don't you know I see your faces
And I'm really glad I can
Wouldn't it be nice
If you could read my mind
Wouldn't it be nice
If you could hear my cries
And then you would know
That I love you
And then you would know
I love you too!

*(This song was received when my daughter
was in the womb and I heard the song as
if she was singing it to me.)*

Chapter 2: HOPE

It's Your Holy Light

Forgive me Father
For my sins
All my sins
All my sins
Forgive me
Clean me up from deep inside
Thank You Lord
For my new sight
It's Holy
(chorus)
It's Your Holy Light
It's Your Holy Light
It's Your Holy Light
Your grace is like sunshine
Shining through the window
Your Beam is just so bright
It's Your Holy Light
And there in an instant
I'm awake and renewed
Restored with the Father
You're my morning dew
I'm awakened
In a mighty way
To the promise of
A brand new day
The scales are gone
I can see to new heights
The promise of a brand new day
It's Holy It's Holy
(to chorus)
It's Holy It's Holy
It's Holy It's Holy
It's Your Holy Light
It's Holy
It's Holy It's Holy
It's Your Holy Light

You can feel My Presence, I am near
Here I am right beside you
There's nothing, nothing to fear
I am with you every step of the way
Guiding your path
Don't hesitate to follow My lead
I'm your Light, your Lighthouse
My signs and wonders abound
Many things you will do
And I will be with you
And I will be with you

Refugee

I just wanna come home
I just wanna come home (2x)
To a place where I can be
To a place where I can see
That I'm wanted
That I'm loved
Not alone
Oh give me a home
Where total love roams
And my heart and my spirit can play
Refugee
It's what I am
Can't you see that I'm in a jam
Refugee
It's who I am
And I need you to show me that you care
And I need you to take me somewhere...special
And I need you to make me aware
That you love me as I am.....
That you love me as I am.....

Chapter 3: SUCCESS

We Gotta Keep Up

(chorus)

We gotta keep up
We gotta keep up with the Lord
We gotta keep up
We gotta keep up with the Lord
The more you hear
The less there's fear
The work has now begun
When He picks you
To talk to
Your life has just begun

(chorus)

It's a joy to sit down
With what He has for you
When you're working for Him
No lack of what to do
You're tired but you're happy
And you want to do your best
You've got all His things
On the top of your list

(chorus)

Real thing!
Right thing!
All you want is more of Him
It's right now!
So don't stop!
You won't rest until you're on top with His things

(chorus)

We're gonna get more of Him
We gotta keep up
We gotta keep up with the Lord

(No music for this one. If you are a musician
feel free to compose if you are so inspired.)

Sing, Rock and Pray

(Elvis type flavor)

Don't look left
Don't look right
Just move forward
With all your might
You're on a mission
Ya gotta get up and go
Ya gotta plane to catch
Gotta train that's going to town
Don't ask Me why
Don't make Me cry
Just do what I say
In a mighty way
You're on a mission
You've got a message from Me
We're going to open some hearts
The music's gonna Rock 'n roll
Don't hesitate
Don't stop to bake
Just get ready
And don't be late
They're waiting
Waiting to hear from you
Ya gotta kick it in gear
We're gonna open some doors today
Ya gotta sing that song
They'll follow along
Ring that bell
So they can tell
That they've got it
They've got the message today
"You'll never be the same
When you sing and Rock and pray"
Sing, Rock and pray
Sing, Rock and pray
Sing, Rock and pray
Sing, Rock and pray
"You'll never be the same
When you sing and Rock and pray"

Rock The Word

You're having problems
You don't know why
Just take a look and see what's in your eye
You cannot fool Him
He knows your heart
He knows you love Him baby
But ya gotta stay true to His Word

You're feeling down you try to get up
You feel run over by a pickup truck
You cannot shake it
It's deep inside
You can't shake it baby
Till you read His Word every day

You've got no money you want to die
You ask the Lord please don't make me cry
You gotta help me
You say a prayer
He says I'm ready to help you
The answer's right there in My Word

You got no time to do the bible thing
You'd rather boogie and get out and swing
You've got a life to live
You've gotta get up and go
So you're rockin' and rollin'
Feeling good got the world by the tail
(jam here with some fun stuff here for awhile)

One night it's late around 3 AM
You start to wonder 'bout the new millennium
It's time to wake up
The clock is ticking
It's time to wake up baby
And get your nose into The Word

One day you wake up you're feeling fine
You check inside it's just like new wine
You're born again
You've got a new attitude
You've met the Savior, Jesus
Now you can't get enough of The Word
Now you're reeling and rockin'

Rockin' with The Word of The Lord
When the rockin' is over
You'll know that your Rock is The Word

My Spirit

When all is loud and clear
When you hear the bells of fear
When your actions are your own
Then it's true you're all alone

Wait on Me

Wait on Me

Wait on Me

Wait on My Spirit

Wait on Me

Wait on Me

Wait on My Spirit

When the time to act is near
And what's at risk is what's so dear
When you know you're at the end

Wait on Me

Wait on Me

Wait on My Spirit

Wait on Me

Wait on Me

Wait on My spirit

Take hold of the bars I've provided
Be bold with what you are about
Follow Me in what you were created for
(these next 11 lines can be sung or just let the music play)

When all is loud and clear
When you hear the bells of fear
When your actions are your own
Then it's true you're all alone

Wait on Me

Wait on Me

Wait on Me

Wait on My Spirit

Wait on Me

Wait on Me

Get Up And Write A Letter

Sometimes you just can't sleep
What you want to do
Is get up and weep
Clock says 2:30 AM in the morning
You're thinking
Just 4 hours of sleep...that's all

You're wondering
Why you're not snoozing
You wonder how
You're gonna get the Z's you need
You get those worries
Bout payin the bills and other things
You know there's gotta be
A better way
If only you could find
A better way

Get up and write a letter
Dear God I'm sorry for my sins
I know I've disappointed You, my Lord
Forgive me and let me start again
Forgive me and let me start again

Dear Father in heaven
Hallowed be Thy Name
Thy kingdom come Thy will be done
Bring it on bring it on and let me be
In that number
in Your family on Your tree

Get up and write a letter
Dear God I'm sorry for my sins
I know I've disappointed You, my Lord
Forgive me and let me start again
Forgive me and let me start again
Renewed restored and whole again

Chapter 4: FAITH

Amazed Not Afraid

I'm not afraid
Of what the Lord has for me
I'm not afraid
Because He leads the way
I'm not afraid
To go the way he sends me
I'm not afraid
Cause Jesus is with me

I am amazed
At how strong is my new freedom
I am amazed
How He just lights the way
I am amazed
How steady that I can walk
I am amazed
When Jesus is my way!

Chapter 6: PRAYER

Let It Be According To Your Will

Father only you have the plan
Help me hear your voice
And do all that I can
To fulfill the destiny...accordingly

I pray I discern your message
And that all others hear your call
I pray against the will of the enemy
Who is tryin tryin to take away

What is yours and what is mine
Let every prayer against your will...disappear
Let them all fall out of the air to the ground
Unheard, unseen and of no effect

As I walk with you today
Help me to pray what is needed
As I pray today Lord hear my voice
Only your will is my desire

Only your will my heart
Let every prayer be for your kingdom
Coming here to this earth
Let it be
Let it be

Chapter 8: OBEDIENCE

If You Listen

If you listen, He will tell you what to do
If you listen, you can have His plan for you
It's a lesson about pride and humility
It's a blessing if you submit to His authority

He may not speak to you
He may speak to your wife
You'll hear it from a friend
It might just change your life
If you listen, He will tell you what to do

God's ways are not our ways
You can wait on the Lord
You can save a thousand days
If you listen to the way he speaks to you

If you listen
If you listen
It's time to learn His ways
It's time to learn His ways

The Only Way To Go

The way it is today
It's not the only way
While everyone awaits
Hell is at the gates
The key to turnaround
Is fastened to this sound
The peace you seek is here
If you can get through all the fear

To Me

To Me

To Me

To Me

You must reach out your hand
And grab it while you can
A place to take hold
A rabbit in the mold

To see

To hear

To feel

To know

Then you go go go

Away with Me

Away with Me

It's not a place you thought
Even though you've bought

The way to paradise

You've found to be snake eyes

The twist at every turn

Will help you not to burn

But only If you know the way

It's lonely

But lonely is the way

It's hardly

An easy place to be

It's easy if you know Me

It's easy if you try

My way

My way

My way

It's easy easy as you go

Because now you know

It's the only way

It's the only way

It's the only way

The only way to go

God Things

God things
I want the God things
Don't want my things
Just want His ...things
His God things

Holy things
I want the Holy things
Don't want the worldly things
That I see every day

Wise things
I want His wise things
Don't want the other things
Not of God
Just want the wise things
Of our God

Chapter 9: DELIVERANCE

Anger And Forgiveness

Anger, it wells up inside
Anger, it eats you up alive
Anger, let it be and it grows
Anger, soon it's all you know

Bitterness, it permeates your soul
Bitterness, like a cancerous mole
Hatred is a friend of the two
Hatred is the enemy's tool

Forgiveness quiets the soul
Forgiveness makes you whole
Forgiveness leads you right to it
Forgiveness brings the peace of the Spirit

Suspicion, it's fueled by your fears
Suspicion will bring you to tears
Judgment, it gets in your face
Judgment, it's just not our place
Judgment, it's just not our place

Forgiveness quiets the soul
Forgiveness makes you whole
Forgiveness leads you right to it
Forgiveness brings the peace of the Spirit
Forgiveness brings the peace of the Spirit
Forgiveness brings the peace of the Spirit

Don't Miss The Change Train

There's a change comin' down
Like a train goin' round
Get your ticket and
Settle down
Don't miss this train
Comin' to your town

There's a change comin' down
Gonna blow right through...
Blow right through this town
There's no time to fake it
Just know you're gonna make it
Don't miss this train
Comin' to your town

Be at the station
Hurry on board
Don't hesitate
Gonna ride with your Mighty Lord
(lead part)
There's a change comin' down
Plenty plenty to go around
Hurry get your ticket
Be on board
Don't hesitate
Gonna ride with your Mighty Lord

Don't miss the change train
It's comin'
It's comin' to your town

Jesus Blues

Jesus, just try to get along without Him
Jesus, can't have a life in this world without Him
You'll take a few steps baby
Then it'll all come crashing down on you

Jesus, You are the sunshine of my life
Jesus, You are the lover of my soul
If there's one thing I know
It's gonna be all right with You

Get Away Spirit Of Fear

Get away from me you spirit of fear
Get your hands off me don't even come near
You have no power over me
Cause Jesus Christ He died for me

chorus:

In the name of Jesus I bind you up
With the blood of the Mighty Warrior
My Lord my Savior He lifts me up
The cross is over me

Get away from me you spirit of fear
Get lost I said won't even shed a tear
You think I'm weak from your attack
But I'm telling you to get off my back

You're trembling now because you know the truth
If you hang around here you'll get kicked in the tooth
The lesson learned should be very clear
If you try to come back We'll kick your rear

Get Up Off That Throne

Get up off that throne
Your time here just ran out
Get on outta my face
It's time to get in your place

You have no more power
Not now not in this hour
Get on out of my home
It's time for you to be alone

You are not my master
My Lord my King is here
You have been dethroned
So go and disappear
(chorus)

You're the lowest of the low
Got no power over me
So now I gotta go
You see my Lord has set me free

I have made my choice
So you don't have a voice
You've got no hold on me
My Lord has set me free
(chorus)

You've got no hold on me
My Lord has set me free

God Is Better Than Aspirin

Dear Lord, sometimes I get confused
That familiar numbness in my head
Father, when I get like this
I come to You for my daily bread

(chorus)
Feed me, Father
Fill me up
Pour Your Presence over me
Heal me, oh God
Make me new
I just want to come to You

Dear Lord, my headache's gone away
I feel my senses coming back
Now that I'm whole again with You
I'm strong and safe against attack
(chorus)

Father, I know now what to do
Whenever that storm comes back around
I'll come to You, I'll praise and call Your name
Your peace and comfort I'll regain

Prayer Of Repentance

Here I am again
One more time again
My loving Father
Will You be my Friend again

Oh it hurts that I'm back
Where I've been before
Oh God, Oh Father
Please don't close the door

(chorus 1):
I confess my sin
I renounce these ways
That offend You, Lord
And take away Your Praise due You
Hear me, oh God
Deliver me now
Restore me to
The peace
Of Your Presence (2x)

Oh, I thank You, God
I am whole again
Restored once more
By Your grace, my Friend

It's through Jesus Christ
That You hear my cry
That I'm sanctified
Once again alive

(chorus 2):
Through You
For You
Near You
Beside You
God of Peace
Sanctify
To see You

The Lord's Prayer

Our Father Who art in heaven
Hallowed be Thy Name
Thy kingdom come Thy will be done
On earth as it is in heaven
Give us this day
Our daily bread
Forgive our sins

As we forgive those who sin against us
As we forgive those who sin against us

Our Father Who art in heaven
Hallowed be Thy Name
Thy kingdom come Thy will be done
On earth as it is in heaven
Our Father Who art in heaven
Hallowed be Thy Name
Thy kingdom come Thy will be done
On earth as it is in heaven
Give us this day
Our daily bread
Forgive our sins

As we forgive those who sin against us
As we forgive those who sin against us

And lead us not into temptation
And deliver us from the evil one
And lead us not into temptation
And deliver us from the evil one

For Thine is the kingdom the power and glory

Time To Fight

Now's the time to fight
For your life
Now's the time to fight

Now's the time to stand

The victory of the Mighty One

Victory! It is done! (2x)

Now it's time to fight
For the Mighty One
Just decide to fight
And He will come

We are not alone

What My Eyes Have Seen

(Lord to me)

What my eyes have seen
Is where you have been
Without taking Me
Taking Me with you
Without asking Me
Asking Me how
To take the coming turn
To make the choice not to burn
To leave this place of desolation
To come to peace with Me (2x)

(Me to Lord)

My hands have touched the Light
What's gone is all my fright
What's here is peace it's all over me
I know that I've come home
To be with Him is right
To know you're living with Light
To fight for this with all your might
To be with Him is all right
To stay with Him is right
To love with Him is Light (2x)

Truth, Praise and Freedom

(Inspired by Acts 16: 16-34)

(This is a rap song
someone who is a rap musician
should maybe put this together)

I Know the truth
And I sing it with rhythm
Some don't like it
Wanna put me in prison

They can lock the doors
And keep the key
I will praise my God
And He will set me free

chorus:

I speak His truth
He is worthy
I praise my Jesus
And He sets me free
I praise my Jesus and He sets me free

No matter my state
No matter my pain
His mighty earthquake
Will break the chain

Temptation
Bondage
They break away
Praising Jesus
Is the only way
To freedom
To freedom
To freedom
(repeat chorus)

Chapter 10: LIFE

Refreshing

Wonderful day with You
Beautiful day beautiful day with You
Rainbows hanging in the sky
It's a beautiful day a wonderful day with You

I'm dancing to a brand new song
Musical notes just strumming along
Worshiping You worshiping You our Lord
I'm praising You praising You our King

It's a beautiful day just let me sing
It's a wonderful day and it's from our King
Rainbow colors in the sky
Refreshing....me oh my

It's a beautiful day
Don't let it go by
Without dancing to our Lord
Without singing to our God
Without singing a song to our King
Without praising praising our God
Without thanking thanking our Lord

It's a beautiful day
Don't let it get away

Amazed Not Afraid

I'm not a C fraid
Of what the Lord has for me
I'm not afraid
Because He leads the G7way
I'm not afraid
To go the way he sends me
I'm not afraid
Cause Jesus is with C me

I am a C mazed
At how strong is my new freedom
I am amazed
How He just lights the G7way
I am amazed
How steady that I can walk
I am amazed
When Jesus is my C way!

Grace And Mighty Works

I feel His grace
To do this work
In His name
A mighty work (to chorus)

(chorus)
The Spirit flows
Right through this temple
Holy surge like lightning
Mighty works

Just can't stop
The Spirit a leading
I follow Him
Mighty wind (to chorus)

Like a rush
Of His anointing
With His grace
A mighty work is done (to chorus)

The Spirit flows
Right through this temple
With His grace
A mighty work is done
With His grace a mighty work is done
With His grace a mighty work is done

The Only Way To Go

3-13-12

G/Bb/C throughout

The way it is today
It's not the only way
While everyone awaits
Hell is at the gates
The key to turnaround
Is fastened to this sound
The peace you seek is here
If you can get through all the fear

To Me

To Me

To Me

To Me

You must reach out your hand
And grab it while you can
A place to take hold
A rabbit in the mold

To see

To hear

To feel

To know

Then you go go go

Away with Me

Away with Me

It's not a place you thought
Even though you've bought
The way to paradise
You've found to be snake eyes
The twist at every turn
Will help you not to burn
But only If you know the way

It's lonely

But lonely is the way

It's hardly

An easy place to be

It's easy if you know Me

It's easy if you try

My way

My way

My way

It's easy easy as you go

Because now you know
It's the only way
It's the only way
It's the only way
The only way to go

Truth, Praise and Freedom

(Inspired by Acts 16: 16-34)

(This is a rap song
someone who is a rap musician
should maybe put this together)

I Know the truth
And I sing it with rhythm
Some don't like it
Wanna put me in prison

They can lock the doors
And keep the key
I will praise my God
And He will set me free

chorus:
I speak His truth
He is worthy
I praise my Jesus
And He sets me free
I praise my Jesus and He sets me free

No matter my state
No matter my pain
His mighty earthquake
Will break the chain

Temptation-Bondage
They break away
Praising Jesus
Is the only way
To freedom
To freedom
To freedom
(repeat chorus)

The Only Way To Go

G/Bb/C throughout
GIIII/ GIIII/BbIIII/CIIII

The way it is today
It's not the only way
While everyone awaits
Hell is at the gates
The key to turnaround
Is fastened to this sound
The peace you seek is here
If you can get through all the fear
To Me To Me To Me To Me

You must reach out your hand
And grab it while you can
A place to take hold
A rabbit in the mold
To see To hear To feel To know
Then you go go go
Away with Me
Away with Me

It's not a place you thought
Even though you've bought
The way to paradise
You've found to be snake eyes
The twist at every turn
Will help you not to burn
But only
If you know the way
It's lonely
But lonely is the way

It's hardly
An easy place to be
It's easy if you know Me
It's easy if you try
My way My way My way
It's easy
Easy as you go
Because now you know
It's the only way
It's the only way
It's the only way

The only way to go

Does God draw us to Salvation?

In John 6:44 Jesus said: "No one can come to me unless the Father who sent me draws him..." Experience for yourself the remarkable journey by Harold Vega Vondenstein as God was relentlessly pursuing him over a 13 year period to Repentance, Deliverance, and Salvation (Sept. 1999 - Sept. 2012) through an extraordinary collection of over 1,000 poems.

This massive collection of poetry, called the Godspirations Series of Poems (10 books in all), has been meticulously recorded as the poems flowed effortlessly and carefully preserved with original notes and dates, but never with the intent to publish them until now. Newly married to his ministry partner, Paula Vega Vondenstein (whom Harold met on Christian Mingle on Christmas Day of 2014), Harold recently felt the persistent nudging by God that the time was now to finally publish the Godspirations Series. The entire collection of the Godspirations Series of 10 books of poems will be published online by December 31, 2016.

The Godspirations Series includes the following titles: Revelations From God Regarding Love, Revelations From God Regarding Hope, Revelations From God Regarding Success (on God's terms), Revelations From God Regarding Faith, Revelations From God Regarding Trust, Revelations From God Regarding Prayer, Revelations From God Regarding Worship, Revelations From God Regarding

Obedience, Revelations From God Regarding Deliverance, Revelations From God Regarding Life (including Eternal Life).”

Harold and Paula Vega Vondenstein are founders of Gateway to Glory Ministries which will focus on Repentance, Deliverance, and Salvation. Harold and Paula currently reside in Gulfport, Mississippi with their three Chihuahuas, Coco, Cody, & Casey. The purchase of these books will help fund their ministry.

About Harold Vega Vondenstein

By Paula Vega Vondenstein

Author, musician, and grateful follower of our Lord and Savior Jesus Christ, Harold Vega Vondenstein's life clearly illustrates the power of a transformed life of one who has totally surrendered to the things of God. Harold's early life was marked by the tragedy of his biological dad's suicide at the tender age of 10 and by the subsequent years of anger, confusion and lack of direction that followed. But God never gave up on Harold in the midst of his emotional trauma and pain and relentlessly pursued him during a 13 year period to draw him to Repentance, Deliverance, and Salvation. The Godspirations Series captures God's relentless pursuit of Harold in poetry form through this massive collection of over 1,000 poems. 46 of these poems came with music and are published in the book entitled "Songs For The Soul".

Led by the Holy Spirit of God to seek an equally yoked ministry partner and bride on Christian Mingle in December of 2014, Harold married Paula Vega Vondenstein on Oct. 10, 2015. Harold and Paula Vega Vondenstein are the founders of Gateway to Glory Ministries, which will focus on Repentance, Deliverance, and Salvation.

Harold is a gifted guitarist and has served with various worship teams over the years. Paula and Harold currently live in Gulfport, Mississippi with their three Chihuahuas, Coco, Cody, and Casey. The purchase of these books will help fund their ministry.

About Paula Vega Vondenstein

By Paula Vega Vondenstein

Married for the very first time at age 61 on October 10, 2015, Paula Vega Vondenstein (formerly Paula Helwick) began a new chapter in her life as bride and ministry partner to Harold Vega Vondenstein, whom she met through Christian Mingle on Christmas Day 2014. After years of living a lifestyle that did not give glory to God, Paula reached a crossroads in her life 16 years ago and made a personal commitment to God to remain celibate and trust Him to provide the right mate for her. Her motto was: "It's God's way or the highway." Recently published in the Nov./Dec. 2015 issue of Gulf Coast Woman Magazine, Paula freely shares her story to greatly encourage other women that they do not have to sleep with a man prior to marriage to be considered marriage material.

Bold, articulate, and outspoken, Paula was amazed that she had actually found a man who embraced her boldness. In fact, God had so perfectly matched Harold and Paula to insure that each had skills that the other lacked. "Together we can accomplish things that neither one of us could accomplish on our own," remarks Paula. During their early months of courtship, Harold and Paula spent most of their free time laying the groundwork for their ministry, Gateway to Glory, which will focus on Repentance, Deliverance, and Salvation.

Paula & Harold Vega Vondenstein currently live in Gulfport, Mississippi with their three Chihuahuas (Coco, Cody, and Casey). The purchase of these books will help fund their ministry.

Salvation

From Paula Vega Vondenstein:

We pray that this book of songs will bring hope to those who are feeling overwhelmed by life, who are hurting, or who do not feel a sense of purpose or direction. Please know that you are loved with an everlasting love and that God is continually pursuing you to draw you to Himself through Repentance, Deliverance, and Salvation.

“No one can come to me unless the Father who sent me draws him and I will raise him up on the last day.” (John 6:44 NIV)

“For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other living creature, shall be able to separate us from the love of God which is in Christ Jesus our Lord.” (Romans 8:38-39 KJV)

Jesus saith unto him, “I am the way, the truth, and the life: no man cometh unto the Father, but by me.” (John 14:6 KJV)

“For God so loved the world that He sent His only begotten Son, that whosoever believeth in Him shall not perish, but have Everlasting Life.” (John 3:16 KJV)

“For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast.” (Ephesians 2:8-9 KJV)

There is only one way to Salvation and that is through Jesus Christ, the Son of God, who died for you and paid the price for your sins on Calvary. The Truth of who Jesus is will be revealed to you as you start studying the Bible. We pray that you discover the saving knowledge of Eternal Life by developing a personal relationship with Jesus Christ.

“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.” (2 Corinthians 5:17 KJV)
